MASCOT® HARDWEAR

UNCOMPROMISING QUALITY THROUGHOUT

The latest addition to the MASCOT family. Extremely hardwearing, many reinforcements and plenty of details and functional features. MASCOT® HARDWEAR is the latest generation of workwear. A robust and hardwearing quality that is both soft and comfortable to wear. The collection has many practical details such as zip-off trousers with internal knee pockets, jackets with concealed wire passages for headset, mesh ventilated sleeves and winter jackets with Outlast® lining to control body temperature. In addition to offering functionality and practical details, MASCOT® HARDWEAR is also a modern collection that can be mixed and matched according to needs and taste.

FABRIC A hardwearing canvas collection made of 65% polyester and 35% cotton with stretch and reinforced with Cordura®, which is 7 times stronger than cotton.

FUNCTIONALITY The products have been developed in collaboration with MASCOT's test group. The result is a collection meeting all requirements.

DETAILS MASCOT® HARDWEAR has plenty of new, practical functions. Double rule pocket reinforced with Kevlar® inside and smart reflective effects.

DESIGN Modern, contemporary. A matching colour trend collection ensuring colour consistency of trousers, jackets, T-shirts etc. Available in six different colours.

MASCOT® HARDWEAR HAS PASSED THE TEST – WITH GREAT SUCCESS

Many tests preceded the launch of MASCOT® HARDWEAR. The goal was to design a new product that would meet today's needs in every respect. MASCOT's test panel, which included workmen from different professions, made an important contribution to MASCOT® HARDWEAR's success. The members of the test panel helped develop the product and granted the final seal of approval.
