MASCOT® IMAGE

A PERFECT BLEND OF CHANGE AND TRADITION

MASCOT® IMAGE combines solid experience with exciting new ideas. MASCOT® IMAGE is two-tone workwear and winterwear and a popular alternative to traditional workwear. MASCOT was one of the first companies to introduce a large two-tone workwear collection, and the collection has since been expanded with new colours and styles. Today, it meets the clothing requirements of a wide range of trades and industries. MASCOT® IMAGE has plenty of pleats and pockets and other popular details. MASCOT® IMAGE is synonymous with style and functionality and has become one of our best-known collections.

FABRIC Workwear made of 65% polyester and 35% cotton. Continues to looking good wash after wash. Winterwear in Bearnylon® made of 60% cotton and 40% nylon.

FUNCTIONALITY Meets a wide range of different workwear requirements. All products are characterised by simple and practical functionality.

DETAILS The products have many thoroughly tested features. For instance, bib & brace and trousers have adjustable knee pad pockets and spacious thigh pockets.

DESIGN Timeless and ideal for companies wishing to profile themselves through their workwear. The colours mix & match with the other MASCOT® products.
