MASCOT® BASIC

SIMPLE AND DURABLE QUALITY

MASCOT® BASIC is a collection of workwear that emphasises simplicity and functionality. The quality is high, the garments are thoroughly tested, and the features are in the right places. MASCOT® BASIC garments are available plain, in three-colour combinations and in fluorescent orange.

FABRIC Strong, quality polyester and cotton, which continues to be comfortable and look good wash after wash.

FUNCTIONALITY Meets all important workwear requirements. For instance within industry, where garments have to be hardwearing and very functional.

DETAILS MASCOT® BASIC among other things features large pockets, nickel-free press studs and zips. All styles have triple seams to ensure extra durability.

DESIGN Classical, simple and functional. The collection mixes well with products from the other MASCOT® collections.
