# STOKO SPRAY™

## W A S H

### DESCRIPTION

STOKO SPRAY™ WASH is a soap- and betaine-free washing lotion for the mild and gentle removal of light dirt.

### PRODUCT DESCRIPTION

Blue-green, perfumed washing lotion with pearlescent effect.

### AREA OF APPLICATION

Removal of light contamination on hands and forearms in office and public washrooms.

### INSTRUCTIONS FOR USE

Rub STOKO SPRAY™ WASH over hands.  
Add just a little water and continue washing.  
Thoroughly rinse off all the product and dry hands.

### QUALITATIVE COMPOSITION

INCI Term	Function
AQUA (WATER)	water
SODIUM LAURETH SULFATE	anionic surfactant
SODIUM COCOAMPHOACETATE	amphoteric surfactant
GLYCERIN	moisturizer
SODIUM CHLORIDE	stabilizer
CITRIC ACID	stabilizer/pH-adjuster
PEG-6 CAPRYLIC/ CAPRIC GLYCERIDES	conditioner
SODIUM BENZOATE	preservative
GLYCOL DISTEARATE	pearlescent agent
PARFUM (FRAGRANCE)	parfum
STEARETH-4	surfactant
CI 19140, CI 42090	coloring agent

### FEATURES AND BENEFITS OF STOKO SPRAY™ WASH

#### Product Features

soap-free with a pH value matched to the skin  
betaine-free  
substances added to support the skin's natural moisture content  
only high quality ingredients used  
discreet perfume  
the dispenser sprays the product finely and evenly on to the skin  
very economical

#### Benefits

maintains the skin's natural acidic protective mantle  
reduces potential for skin reactions  
doesn't dry out the skin even when used frequently  
superior skin compatibility  
high level of consumer acceptance  
- considerably less product used yet full cleansing power at the same time  
- the product foams more easily  
- saves time and water when cleansing hands  
one bag is sufficient for washing hands up to 2,000 times

# STOKO SPRAY™

## CARE

### DESCRIPTION

STOKO SPRAY™ CARE is a silicone-free, easy-to-apply care lotion which is swiftly absorbed into the skin and does not leave any unpleasant or annoying oily film.

cares for the skin and keeps it smooth and supple  
superior skin compatibility  
high level of consumer acceptance  
swiftly absorbed without leaving any unpleasant or annoying residues  
one bag is sufficient for up to 2,000 skin care applications

## GENERAL INFORMATION

### SKIN COMPATIBILITY TESTS

STOKO SPRAY™ WASH has undergone careful human-experimental testing for its skin compatibility in the Duhring Chamber Test modelled on Frosch and Kligman, as well as in controlled, open application tests using modern dermatological techniques. These wide-ranging tests have amply demonstrated the good skin compatibility of STOKO SPRAY™ WASH.

STOKO SPRAY™ CARE has proved to have good skin compatibility properties in human-experimental tests such as the scarified Duhring Chamber Test based on Frosch.

Skin-compatibility expert reports prepared by the Department of Dermatology, Clinic Krefeld, Germany, are available for STOKO SPRAY™ WASH and STOKO SPRAY™ CARE.

### STATUTORY REGULATIONS

STOKO SPRAY™ WASH and STOKO SPRAY™ CARE are governed by the Ordinance Regulating Cosmetics, the Cosmetic Directives of the EC, and the German Food and Consumer Goods Act, and are not subject to the Chemicals Act or the Ordinance Regulating Hazardous Substances.

### ECOLOGICAL DATA

The surfactant constituents in STOKO SPRAY™ WASH comply with the Ordinance Regulating Surfactants of the Federal Republic of Germany, and the EC Guidelines. The anionic surfactants used are in excess of 90% biodegradable (OECD method).

### SAFETY DATA SHEET

There are EC material safety data sheets available for STOKO SPRAY™ WASH and STOKO SPRAY™ CARE. These provide further details on the particular product (e.g. density, pH value).

### QUALITY ASSURANCE/SHELF LIFE

All products of the STOKO® Programme meet the bacterial purity standards as they apply to medicines for external use (as defined by PhEur):

< 100 reproducible germs/g of product.

Verification tests in this respect are a regular feature of STOKO® Skin Care quality assurance procedures.

STOKO SPRAY™ WASH and STOKO SPRAY™ CARE can be stored in a closed container at room temperature for at least 30 months.

### PACKAGING SIZES

400ml bag for dispensing the product from the STOKO SPRAY™ dispenser.

### FIRST AID

In case of accidental eye contact with the product, rinse out using water (eye douche, eye irrigation bottle). Consult a doctor if any burning sensation persists.
