Same perfect fit as our successful Jubilee Carpenter trousers. Cordura reinforcements on stress points. D-rings and smart solutions for your keys. An ID card holder is placed under one of the tool pockets. Ruler pocket and mobile phone pocket are where you need them. Yellow/grey.

Size: 46 - 62, 100 - 120, 146 - 156
CE: EN471-2

OrderNo: 2580N3511

EN 471
class 2

Trousers class 2

Comfortable trousers with extra zipper pocket on the left leg. Yellow/grey.

Size: 46 - 62, 100 - 120, 146 - 156
CE: EN471-2

OrderNo: 2570N3511

Requirements of new version
The background material must go around all garments and be 50% +/-10% divided between back and front. Requirement of colourfastness have risen from level 3 to 4 (except for fluorescent material).

Fabric description
Our hi-vis collection is made of an easy-care material with dirt-repellent abilities. The composition is Luminex, 85% polyester, 15% cotton with a weight of 270 g/m². Reinforcements of Dynamite, 65% polyester/35% cotton, weight 300 g/m².

The material is smooth and has a good tearing strength. Good comfort, high strength, low shrinkage are some of the characteristics of this collection. Of course certified according to Öko-Tex standard 100.
