

# MINI

tested to work

## MASCOT® MINI

HARDWEARING CLOTHES WITH PLENTY OF ROOM AND WARMTH

MASCOT is also for the young. MASCOT® MINI is ideal for active kids and kids who love being outdoors. The collection comprises boiler suits, bib & brace and thermal clothing. The exposed areas on the knees are reinforced. Like MASCOT's adult collections, MASCOT® MINI garments are loose-fitting and comfortable to wear.

**FABRIC** Thermal clothing is made of 100% polyester, the workwear of 65% polyester/35% cotton. Extremely hard-wearing with triple seams on the outer and inner side of the leg and at crotch.

**FUNCTIONALITY** Practical and with plenty of room to move. The children's safety has also been taken into account with reflective effects on the thermal wear.

**DETAILS** Quilted jacket, bib & brace and trousers have ultrasound welded seams and polyester-canvas reinforcements on shoulders, elbows, pockets, knees and seat.

**DESIGN** Simple and above all functional. The workwear is available in royal and the thermal clothing in black.
