MASCOT® COMPLETE

POPULAR ACCESSORIES FOR A SAFE AND COMFORTABLE WORKING DAY

MASCOT offers a wide range of accessories for its products, e.g. caps, hoods, belts and knee pads. To this should be added a range of tool belts and pouches for different trades and purposes. The common denominator for MASCOT® COMPLETE is quality and functionality in a style that is consistent with the clothing.

PRACTICAL DETAILS – A MASCOT CHARACTERISTIC

When we develop workwear, new ideas constantly pop up, especially thanks to input from our users. Examples of accessories that our users have helped develop are: hammer holders with snap-on system, click-fit pouches and nail pouches that can be attached to tool belts, and reinforcements that can be applied using heat. The entire range has been called MASCOT® COMPLETE – there is no better way of saying it.
